

Process for Speed- e / Ideas

(Simple and Easy in 2 min.)

Go to internet : <https://eservices.nsdl.com> (**Log in through Internet Explorer** and not Google, Chrome, Mozilla , Firefox etc)

Go to New User Registration → Speed –e → click and then to **Register**

Fill up the Form and you can keep same email id and password for all the users of your family.

Fill up the CM BP ID. of the Broker to whom you wish to transfer the shares.

Tick on both Speed –e and Ideas and confirm the details.

A unique number will be generated. Write down the number and print the Form. Sign it and send it to us . We will activate the account.

After ActivationFor Logging

Go to internet : <https://eservices.nsdl.com>

Now go to speed-e box and log in speed-e & ideas user. Please do not log in speed-e

Type your User id and Password and enjoy your statement .

Please change your password by following the instruction on the left hand side screen.

You can only transfer shares to your brokers Pool account- only CM BP ID

No off market transfer is allowed.

After you have been activated you can see your holdings with valuation and submit instruction to your pre notified brokers.

Please do not submit physical slips for speed-e instruction.

Submit physical slips only for off Market trades and for Market Trader to other CM.

This information is only for indicative purpose to help you to familiarize . For details visit nsdl. co .in - e services.

For Ideas – Same as above except Tick on Ideas only and not a Speed-e
